

Unlocking Your Clearstream Set

Step 1

Input Code
into Lock

Step 2

Push Down and Lock
Should Spring Open

Step 1 Open frame and pull one side of the bag through the opening.

Step 2 Fold bag over the top of the frame, catching the edge and pulling tight.

Step 3 Repeat on the other side.

Step 4 Open the frame so both ends of the bag are secured to the frame.

Step 5 Place the corresponding lids on top.

Make sure bag colors match the lids!
