

# What to do with your waste during Move In

NC STATE

## Cardboard and Boxes

- Remove contents
- Flatten cardboard and boxes for recycling
- Place in the blue recycling dumpster

## Plastic Film

- Separate plastic film and place in the **designated** receptacle
- These receptacles are here for move in only
- **Never** place plastic film in a mixed recycling bin or dumpster!

## Styrofoam

- Separate styrofoam and place in the **designated** receptacle
- These receptacles are here for move in only
- **Never** place styrofoam in a mixed recycling bin or dumpster!

## Recycling

- Boxes, Paper, Cans, Glass, and Plastic Tubs, Jugs, Bottles, and Jars can all be placed **LOOSE** in recycling bins and dumpsters on campus
- Recycling should never be in a bag

## Compost

- Remember to compost your food scraps, paper towels, napkins, pizza boxes, and certified compostable serviceware in the green compost bins and dumpsters on campus
