

# WRR Rolloff Services

Planning a rolloff for your project? Please complete and return this form to [recycling@ncsu.edu](mailto:recycling@ncsu.edu)

- Plan ahead, please give WRR as much notice as possible of your upcoming project
- Provide a photo or map of the specific placement via email
- If your rolloff will be impeding traffic or will be placed in a parking spot, you will need to coordinate directly with Transportation to reserve spaces ([ncsu-transportation@ncsu.edu](mailto:ncsu-transportation@ncsu.edu))
- Please see back of this sheet for rates and additional information

**Important Information:**

- The best way to get in touch regarding rollofs is via email ([recycling@ncsu.edu](mailto:recycling@ncsu.edu)) or through our service request webpage: [recycling.ncsu.edu/request-service](http://recycling.ncsu.edu/request-service)
- Only the Facilities PM and/or contractor PM request hauls/relocations of the rolloff.
- One business day's notice is requested for a haul.
- WRR will provide plywood underneath a rolloff if it will be placed on turf or brick.
- If the rolloff is being used for very heavy material (concrete, asphalt, etc) please contact us to schedule a haul when the container is half full.
- Over-filled containers may be subject to extra charge for backhoe compaction.
- Special circumstances or just need guidance for planning? WRR will assist by meeting at job site to discuss options.
- Please note that there is an additional charge for parking space rental by NC State Transportation.
